

Code of Conduct for Parents

As a parent/guardian, you play a special role in contributing to the needs and development of your child. Through your encouragement and good example, you can help all children learn good sportsmanship and self-discipline. Play Action Flag Football teaches players to work together, to sacrifice for the good of the team, to enjoy winning and deal appropriately with defeat - all while becoming physically fit, healthy and having fun!

Support Your Child

Supporting your child by giving encouragement and showing interest in their team is very important.

Remember: Your Child Wants To Have Fun

Children play for the fun of playing. It's very important to let children establish their own goals - to play the game for themselves.

Reinforce Positive Behavior

Positive reinforcement is the best way to help your child achieve their goals and overcome their natural fear of failure. Nobody likes to make mistakes. If your child does make one, remember, it's all part of learning, so encourage your child's efforts and point out the good things your child accomplished.

Always Be Positive

Parents serve as role models for their children. Applaud good plays by your child's team as well as good plays by the opposing team. Coaches and referees need your support as well, so refrain from sideline criticism.
